HERITAGE VINEYARDS

Voorloper Syrah 2019

'Voorloper' is the one that walks in front, the one that leads the way.

The 'Voorloper' vineyard is one of the oldest syrah vineyards in Stellenbosch. These old hardy bush vines of the SH-99 clone is certified as a Heritage vineyard. The vines are growing on weathered white granite soils resulting in a lean, old-world style syrah.

The grapes were whole-bunch fermented and matured in third fill French oak barrels.

VINEYARD: Stellenbosch

TASTING NOTES:

Aromas of red cherries, spice, white pepper and graphite, follow through on an earthy, luscious palate. Voorloper is an elegant Northern Rhône style syrah.
